PROGRESSIVE EDGE WAKEPARK

PLATINUM AWARD

TERMINOLOGY

- Lipslide - Lifting the tail of the board up and over the feature/rail first
- Nose/Tail Press - Applying your wait over the nose (front leg) or tail (back leg) so that only this part of the board is in contact with the feature
- Bagel/Pretzel - Rotating off a feature the same way/ opposite way you rotated on to it
- Shifty - Rotating your board 90 degrees while in the air then counter rotating back to a straight landing

QUICK TIP
To future proof your progression be sure to play around with the switch and toeside variants of every trick.

QUICK TIP
At this level of riding always get a few laps in first, locking in some basic tricks off the flat and on all the features before trying anything new.

This is to certify that _____

has dialled in every skill on the Platinum Award. Awesome job!

Now, fill out your details and get your coach to let BWSW know you've completed Platinum so they can hook you up with a free BWSW membership and a goodie pack.
